

## NEWSLETTER - OCTOBER 2019

With snow outside my window today the summer days are definitely gone in Sweden. It's just a couple of weeks since some of you enjoyed our After Work in the evening sun at Strandvägen in Stockholm.

We have exciting months ahead of us! This newsletter is filled with news, next upcoming events, and updates from the Swiss Chamber of Commerce in Sweden.

Start this autumn by signing up for our next event on 22nd October "Why Businesses should embrace sustainability". In cooperation with the Swiss Embassy in Sweden, we would like to welcome you to this unique networking opportunity.

## NEWS

In 2018, the Swedish economy grew by 2.4%, driven by domestic demand. It will slow significantly this year to 1.6%, owing to the contraction in residential investment and softer export growth.
